

**APPLICATION FOR WHWD ENGINEERING AND WATER TREATMENT
PLANT OVERSIGHT AD-HOC COMMITTEE**

WHWD is looking for up to 5 Diablo Grande residents to join the new Engineering and Water Treatment Plant Oversight Ad-Hoc Committee. The purpose of the Committee will be to review and analyze WHWD's operational plans (including water treatment operations) and to provide input on ways and methods to improve WHWD operations. Applicants with backgrounds in engineering and/or water treatment operations are encouraged to apply.

Interested residents should provide the below information below to Ashley Wilkins at awilkins@whwdist.com
